Rebecca, Please read through this email chain and determine whether and to what degree we need to compile some brief information for Jim Woolford's meeting with Tracy Stone Manning on July 12th.

We need to have the information compiled prior to the pre-meeting call on July 11<sup>th</sup>.

Thanks,  
Steve

Joe – I just saw this message after I sent the message to Jenny about setting up a coordination call to discuss site assessment issues. Anyway let me know if you are putting something together for HQ and we will tack on a couple of site assessment topics.

Do you know anything about the July 11<sup>th</sup> call? Johanna

Johanna & Joe –

Late yesterday my boss, Doug Ammon, told me that Jim Woolford will be meeting with the head of the Montana DEQ on July 12<sup>th</sup>. I've been asked to touch base with R8 to ask if there's anything DEQ might bring to Jim's attention that he should know about beforehand. If possible, we'd like a "heads-up" on any issues from the State's standpoint so Jim isn't caught by surprise. Also, if there's any site-related information that R8 might want to share beforehand for Jim's information, feel free to provide. Thanks much!

– Drew

P.S. I understand Jim also has a call with R8 on July 11<sup>th</sup> to talk about this. I wasn't invited but might sit in anyway – schedule permitting.
